

Use of the Centennial Seal on your Pioneer Unit Website

We encourage you to embed the Centennial Seal on your Pioneer Unit website to allow visitors to click on the seal to be directed to the Centennial landing page on the Pioneers Headquarters website.

The following are resources to assist your webmaster in embedding the seal on your site.

Resources

1. The Centennial Landing page on the Pioneers website is:
<http://www.pioneersvolunteer.org/centennial/default.aspx>
2. The Centennial Seal is available in both .jpg and .png. Download the seal image at:
http://www.pioneersvolunteer.org/shared/content/membercenter-images/centenniallogo_bluebox_200.JPG 
http://www.pioneersvolunteer.org/shared/content/membercenter-images/centenniallogo_bluebox_200.PNG 
3. If your website utilizes a CMS, you will need to upload the image of the seal to your CMS media files and create an image hyperlink using the URL in #1 above.
4. If you code your website content in HTML you will need to code the seal and the hyperlink URL in HTML and embed this on your website on the page or pages you wish your visitors to link from.
